Frameless Reinvented

GoldenHome Cabinetry Price & Spec Book

A World Leading Manufacturer in Kitchen Cabinetry Industry

- Founded in 1999, GoldenHome has become one of the World's leading manufacturers of kitchen cabinets, closets, and vanities.
- GoldenHome introduced its contemporary product and design in North America during 2013. With rapid growth and success in our business we established two central hub warehouses, 20+ distributors, and a nationwide service center developed during past years.
- GoldenHome has the product merits of "Easy to Design", "Easy to Order", "Easy to Assembly", "Easy to Maintain" and "Easy to Stock". "5E" is the term we stand by to deliver exceptional service and at a valuable price to fit any type of budget for our customers.
- GoldenHome managed to develop its global sourcing system & supply chain, which ensures the stability and timeliness of product delivery.
- Providing our customers with top of the line logistics services for orders oversea.
