# Frameless Reinvented

GoldenHome Cabinetry Price & Spec Book

## A World Leading Manufacturer in Kitchen Cabinetry Industry

- GoldenHome began manufacturing high quality kitchen and bath cabinetry in 1999. Today, the company has become one of world's leading cabinet makers. With more than 2,000 Franchise stores and dealerships across Asia, Australia, the Middle East, and the Americas. Millions of families worldwide enjoy the style and quality of cabinetry manufactured by GoldenHome.
- GoldenHome Cabinetry has a strong record of growth. This success can be attributed to the high quality of our products, finishes, and the global partnerships of our supply chain. These strong partnerships allow us to select environmentally friendly materials and ensure premium quality. State of the art automated manufacturing equipment, including German Lacquer techniques, combined with recognized Industry experts give GoldenHome precise manufacturing, outstanding finishes, and modern fashion forward designs. Each one of our European style frameless designs has been reinvented for modern luxury and simplicity.
- In 2017 GoldenHome Cabinetry proudly announced the Grand Opening of its first 2 Distribution Centers in the US; the Western Distribution Center in California and the Eastern Distribution Center in New Jersey. With major expansion plans across the US and Canada, GoldenHome quickly opened Distribution Centers in major cities during 2018 and 2019 including Miami, Houston, San Francisco, Chicago, Seattle, and in Toronto, our first distribution center in Canada. GoldenHome will continue its growth and expansion plans at an accelerated pace throughout 2021 opening additional distribution centers across the US and Canada in major cities including Boston, Washington DC, Atlanta, Las Vegas, Denver, Phoenix, and Vancouver. This expansion will allow GoldenHome to extend its reach to more customers across the US and Canada, and firmly establish the GoldenHome Cabinet brand offering beautiful, high quality modern cabinetry at affordable prices to more families.
